Hey Ben – sure thing. I was texting with Rob last week and he said he already had an access agreement for 216. I believe the owner is Sergio and Angela Solis. I will get some contact info for them if that message from Rob was incorrect.

Cheers

Subject: Residence affected by Slauson Tanker Fire

Hi Craig,

We're trying to get a contact for the adjacent residence affected by the Slauson Tanker Fire. The residence in question is located at 216 W Slauson Blvd, City of Los Angeles, County of Los Angeles, California, 90003. This would be for access during a (presumably) PRP-funded cleanup.

Can you help?
